

# LITTLE BAT

(sung TO THE TUNE SKIP TO MY LOU)

*Small and furry, little bat,  
small and furry, little bat,  
small and furry, little bat,  
fly through the sky at night.*

*Listen, listen, little bat,  
listen, listen, little bat,  
listen, listen, little bat,  
as echoes guide your flight.*

*Swoop and dive, little bat  
swoop and dive, little bat  
swoop and dive, little bat,  
catch insects as you fly.*

*Hurry, hurry, little bat,  
hurry, hurry, little bat,  
hurry, hurry, little bat,  
back to your cave nearby.*

*Snug and warm, little bat,  
snug and warm, little bat,  
snug and warm, little bat,  
toes hold on the ceiling tight.*

*Sleepy, sleepy, little bat,  
sleepy, sleepy, little bat,  
sleepy, sleepy, little bat,  
wrapped in your wings till night.*
